Azalea Mollis

For a Colorful Landscape

PINK FLOWERING ALMOND—Beautiful, pearly pink double blooms snuggle tight and thick along twigs in early spring before leaves appear, completely covering the bush. **2 to 3 ft., 85c each; 2 for \$1.50.**

RED FLOWERING PEACH—Covered in early spring with a mass of beautiful highly colored double flowers. Perfectly hardy. An outstanding ornamental tree for lawn decoration. **2 to 3 ft., 85c each; 2 for \$1.50.**

WHITE FLOWERING DOGWOOD—Oval bright green leaves, turn to red in fall. Early in spring the large white dogwood blossoms present a pleasing sight to the most exacting. **2 to 3 ft., 85c each; 2 for \$1.50.**

REDBUD (*Cercis canadensis*)—Handsome, low growing flat top tree. Rosy lavender flowers appear along wide-spreading branches so thickly the tree appears as a pink cloud. Tree leaves out after blooming. **1½ to 2 ft., 98c each; 2 for \$1.75.**

FLOWERING CHERRY—A lovely spring flowering tree. Large double pink blossoms envelop the tree. Very easily grown. **Large 5 to 6 ft. trees, \$3.00 each.**

SAUCER MAGNOLIA (*soulangeana*)—Very decorative and hardy Magnolia. Huge blooms, petals a veined deep pink outside, slowly opening to show the creamy inner petal. Delightfully fragrant and beautiful to behold. **1½ to 2 ft., \$2.75 each.**

RED SAUCER MAGNOLIA (*soul. niger*)—Flowers even larger than above, and are a beautiful dark purple-red outside, inner petal a waxen white. **1½ to 2 ft., \$2.75 each.**

AZALEA MOLLIS—The beautiful giant blooming shrub. Colors range from light yellow to deep orange. We can not guarantee what shade a plant will bloom. 12 to 15 inch plants with bloom buds. **\$2.00 each; 2 for \$3.50.**

Redbud

Flowering Cherry

Saucer Magnolia

Althea

POPULAR SHRUBS

SWEET-SCENTED SHRUB (Calycanthus)—A favorite for its spicy aroma. Peculiar shaped chocolate brown blossoms.

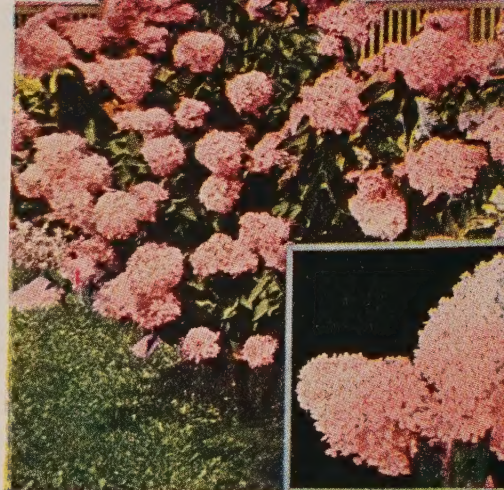

WHITE SNOWBERRY — Rose colored flowers in June and July, followed by milk white berries.

RED SNOWBERRY — Blooms followed by large glowing red berries. Grows well in shady places.

OLD FASHIONED LILAC — Grows anywhere and its masses of fragrant spring blooms are a constant delight. Your choice of purple or white.

Dogwood Shrubs

RED-TWIG—Clusters of white flowers, white berries. Stems and branches turn blood-red in winter.

Hydrangea P. G.

HYDRANGEA P. G.—Huge flower panicles 8 to 12 inches long. Pink changing to bronze.

YELLOW - BARK — Like Red-Twig except bark is a golden yellow.

FORSYTHIA—The familiar glinting yellow shrub that heralds spring. Profuse flowers cover branches before leaves appear.

PEARL BUSH—Highly recommended. Branches covered in May with beautiful pearl-like buds, opening to pure white 5 petal star flowers.

Honeysuckle

Popular Shrubs

Heavy 2-year Blooming Size

70¢ each • 3 for \$1.95

Golden Spirea

Spirea

BRIDAL WREATH—Most widely planted. Drooping branches weighted with masses of pure white flowers.

GOLDEN SPIREA—Bright yellow leaves which turn golden bronze in the fall. White blossoms and brilliant fruit.

RED SPIREA—Large flat clusters of a deep pink nearly all summer. Dwarf grower for inner borders.

BUSH HONEYSUCKLE—Excellent for tall hedge or screen. Beautiful summer and winter. First to leaf in the spring, followed by delightfully fragrant flowers. In winter it is showy with bright red berries. Your choice of pink flowering or white.

ROSE OF SHARON (Althea)—Distinctive shrub for its abundant blooms. Double flowers resemble roses. Color shades stand out vividly. Easily grown. Unusually hardy, bloom long and lavishly. We offer you 4 colors, your choice of red, pink, white or blue.

Lovely French Lilacs

3 year Plants, \$1.50 each; 3 for \$4.00

The marvels of beauty and elegance. Sweetly perfumed, most famous varieties.

Charles IX (Sgl.)—Reddish-purple

Charles Joly (DbI.)—Purple

Alphonse Laval (DbI.)—Blue

President Grevy (DbI.)—Mauve

Marie Le Graye (Sgl.)—White

French Lilac

Weigelia Rosea

Weigelia

ROSEA—One of the finest. Tall growing with abundant trumpet shaped pink flowers in June.

EVA RATHKE—Dark reddish green foliage, attractive deep carmine red flowers throughout summer and fall.

Snowball

Bright Colors in Flowering Shrubs

Heavy, 2 Year Blooming Size

70^c each • 3 for \$1.⁹⁵

Snowballs

OLD FAVORITE (Viburnum Op. Sterile)—The well-known variety bearing masses of heavy ball-shaped white flowers in May.

AMERICANUM—Best of all for shrub border. Bright green foliage, clustered white flowers in May; clumps of very large ornamental bright red berries follow.

TOMENTOSUM—Excellent erect and compact shrub with round flat white flowers.

Deutzia

PRIDE-OF-ROCHESTER—Large, double white flowers, slightly tinged rose, appear in Mid-June.

ROSEA—Like above with rose colored flowers. Dwarf grower.

Mock Orange

(*Philadelphus*)

SWEET-SCENTED (Coronarius)—Well-known, highly fragrant shrub with pure white flowers in dense clusters.

EVERBLOOMING (Virginal)—A showy bush bearing many double white flowers. Blooms throughout the season.

LARGE-FLOWERING (grandiflora)—The variety in the mock orange family which bears the largest, beautiful white flowers.

Firebush

FIREBUSH (Cydonia)—Early in spring this shrub is completely covered with dazzling orange scarlet flowers, which are followed by small fragrant quince-shaped fruits. Dark green waxy foliage.

WHITE FRINGE—Showiest of shrubs. Graceful and drooping with large shiny deep green leaves, it bears clouds of lacy white blooms. Can be grown as shrub or trim up and grow into a dwarf tree.

REDLEAF BARBERRY—A beautiful shrub of rich bronze red foliage turning to scarlet red during summer. Bright red berries throughout the winter.

Butterfly Bush

(*Summer Lilac*)

MAGNIFICA—Large, bright lavender panicles. Flowers do not sunburn.

DUBONNET—Wine colored flowers.

ILE DE FRANCE—Dark purple.

Redleaf Barberry

Butterfly Bush

Goldflame Honeysuckle

BOSTON IVY—A splendid vine for covering, will cling to smoothest surface. Foliage bright green, changing to brilliant scarlet and orange in fall. Hardy and easily grown. **75c each.**

GOLD FLAME HONEYSUCKLE — Blooms all summer. Showy tubular flowers, flame-red outside, bright yellow inside. Delightfully fragrant. **\$1.25 each.**

HALL'S HONEYSUCKLE — Strong vigorous vine. Pure white flowers changing to yellow. Very fragrant and covered with bloom from May to November. **60c each.**

BITTERSWEET — Widely used in home bouquets. Handsome foliage and in fall has large clusters of orange-crimson berries which it retains all winter. **75c each.**

SILVER LACE VINE—The No. 1 vine for covering archways, arbors, fences, etc. Graceful and hardy. Flowers in a cloud of misty white resembling old lace. Exquisite vine. **\$1.00 each.**

PURPLE WISTERIA—A clinging vine of exotic beauty. Flowers bloom in large, drooping clusters of deep purple color. **\$1.25 each**

Purple Wisteria

CLEMATIS—The following varieties are all large flowering, profuse bloomers from July until frost. We offer you the 3 best varieties.

Jackmani—Intense violet-purple.

Mme. Edouard Andre—A rich rosy-red.

Henryi—Creamy white.

\$1.00 each

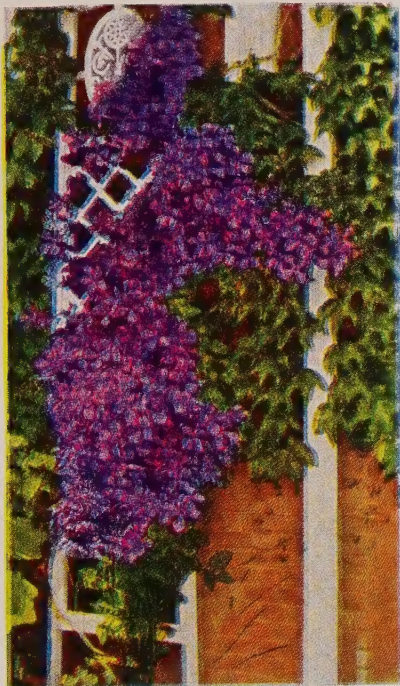

Hardy Hedges

CALIFORNIA PRIVET — Large, vigorous shrub of upright habit. Leaves dark green and glossy. Trim to height desired. **15 to 18 inch, 10 for \$1.40; 25 for \$2.50.**

HARDY AMOOR RIVER PRIVET—Very hardy, rapid grower. Shiny dark leaves, not subject to disease. May be shaped to any shape. **15 to 18 inch, 10 for \$1.90; 25 for \$3.75.**

SPIREA VAN HOUTTEI—Makes a beautiful flowering hedge, attaining a height of 6 feet, but may be pruned after flowering. **2 to 3 ft., 10 for \$5.00; 25 for \$11.25.**

(See Page 3 for BUSH HONEYSUCKLE for hedge)

Clematis Jackmani

GREEN-LEAVED BARBERRY—Most popular low growing hedge. Bright green leaves turn dazzling red, gold and bronze in fall. Brilliant red berries stay on all winter. May be pruned or sheared. **15 to 18 inch, 10 for \$3.50; 25 for \$7.50.**

Wonderful Specimen

Junipers

ANDORRA—Low growing spreading dwarf evergreen. Beautiful silver-green in spring, purple bronze in autumn. **18 to 24 in., \$2.00 each.**

CHINESE COLUMNAR — Tall grower of pyramidal shape. Desirable for informal effect. **18 to 24 inch, \$3.00 each.**

IRISH JUNIPER—Erect and slender. Bright blue-green foliage, very compact, forming a slender column. **18 to 24 in., \$2.00 each.**

HORIZONTALIS PROSTRATA —Low, dense, spreading type. Dark green foliage. **2 to 3 ft., \$3.00 each.**

PFITZER JUNIPER — Graceful, spreading, low growing. Fresh green foliage. Rapid grower, keep sheared to desired size. **18 to 24 inch, \$3.50 each.**

American Arborvitae

Colorado Blue Spruce

SAVIN JUNIPER—Rich green, plume-like spreading branches. A little more erect than Pfitzer. Ideal for filler planting in front of taller evergreens. **18 to 24 inch, \$3.50 each.**

MEYER'S JUNIPER—Grows irregular in form. Dis-

tinct foliage showing various colors for contrast. **18 to 24 inch, \$3.00.**

BLUE CEDAR—Compact conical habit, with beautiful blue foliage making it a choice variety of juniper. **2 to 3 ft., \$4.25 each.**

Spruce

NORWAY—Popular, well-known "Christmas Tree." Tall tree of rapid growth. **15 to 18 inch, \$1.75 each.**

COLORADO BLUE SPRUCE—Most beautiful for specimen planting. Upright conical shape, foliage of glaucous blue. **15 to 18 inch, \$3.50 each.**

Golden Cypress

DOUGLAS FIR—Resembles Blue Spruce in habit of growth and color. Foliage of a softer nature and growth more rapid. **15 to 18 inch, \$3.00 each.**

GOLDEN-PLUME CYPRESS—A handsome golden colored evergreen. Feathery fern-like foliage can be trimmed to any size. **2 to 3 ft., \$3.25 each.**

MUGHO PINE—Dwarf grower, forming low dome-shaped mound. Color dark green. **15 to 28 inch, \$2.50 each.**

Mugho Pine

THERE'S
AN
EVERGREEN
FOR
EVERY
PURPOSE

Evergreens

SCOTCH PINE—Rapid growing sturdy tree. Long needles of light green. For specimen or group planting. **2 to 2½ ft., \$2.50 each.**

SPREADING YEW (or Taxus)—Finest evergreen grown. Deep green foliage always fresh looking. May be kept sheared. **15 to 18 inch, \$3.00 each.**

UPRIGHT YEW—Same as above but grows in erect form. Shear lightly and foliage will become very dense and compact. Valued for corner plantings and accent pieces. **15 to 18 inch, \$3.50 each.**

Spreading Yew

Arborvitae

BERCKMAN'S GOLDEN — Dwarf, compact evergreen. Foliage a bright, lustrous yellow. Fine for adding color in plantings. **15 to 18 inch, \$2.50 each.**

AMERICAN A. V.—Foliage flat, set on edge, color bright green. Pyramidal in shape, broad at base. **18 to 24 inch, \$2.00 each.**

GLOBE A. V.—Very dwarf, round or globe-shaped, foliage dark green. **15 to 18 inch, \$2.50 each.**

GOLD-TIP A. V.—Habit of growth similar to American. Foliage edged with golden color. Excellent color contrast. **2 to 3 ft., \$3.00 each.**

PYRAMIDAL A. V.—Most compact and erect. Foliage deep green, retains color year around. Natural growth a compact pyramidal form. **18 to 24 inch, \$2.25 each.**

AMERICAN HEMLOCK—Graceful tree of bright green foliage. Looks well in any planting. Shear lightly as it develops for more dense and compact foliage. **18 to 24 inch, \$3.50 each.**

Scotch Pine

Evergreen Shrubs

For Individual Plantings or With Evergreens

COTONEASTER DIVARICATA—Excellent for foundation plantings. Deep green leaves, pink flowers and bright red berries. **18 to 24 inch, 95c each.**

EVERGREEN BITTERSWEET (Euonymus vegetus)—Low spreading shrub. Dark green leaves and orange berries in fall and winter. **18 to 24 inch, 95c each.**

AMERICAN HOLLY (Ilex opaca)—Broadleaf evergreen familiar to all as Christmas Holly. Spiny green leaves and bright berries. **18 to 24 inch, \$2.95 each.**

OREGON HOLLY-GRAPE (Mahonia)— Resembles holly but has larger leaf. Bright yellow flowers followed by blue berries. **18 to 24 inch, \$2.95 each.**

Shade Trees

BEAUTIFUL—LONG-LIVED
6 to 8 ft., \$2.75 each

Maples

NORWAY—Exceptionally fine, hardy, large-leaved shade tree. Noted for long life.

SILVER—Fastest growing maple, for a good, quick shade. Foliage light green, silver on under-side. Color beautifully in the fall.

SUGAR—An excellent shade, park or driveway tree, oval in form and very dense.

ELM, AMERICAN—Large, stately tree with long graceful branches. Leaves dark green.

ELM, CHINESE—Fastest growing shade tree known today. Foliage small and dense. Symmetrical and compact.

Norway Maple

SYCAMORE, EUROPEAN — Erect growing, wide spreading. Large, green 3-pointed leaves.

POPLAR, SILVER—Finest of poplars. Long lived. Dense foliage, leaves silver on under side.

POPLAR, LOMBARDY—Picturesque form for formal plantings, appear as tall sentinels. Rapid grower.

OAK, PIN. Almost pyramidal in habit, very sturdy and long lived. Leaves deep red and bronze in fall.

Ornamental Trees for Shade and Beauty

MOUNTAIN ASH—Highly ornamental with beautiful foliage turning orange-red in fall. Very showy fruits of orange-red clusters that often remain all winter. 6 to 8 ft., \$2.75 each.

MAIDEN-HAIR TREE (Ginkgo)—Hardy anywhere. Oldest tree known to man. 5 to 6 ft., \$2.50 each.

TULIP TREE (Liriodendron)—Tall, pyramidal growth with fiddle-shaped leaves. In spring bears numerous Tulip-like flowers that are yellow marked with orange. 6 to 8 ft., \$2.75 each.

WEeping WILLOW—Tall with long drooping branches. A graceful and beautiful tree for your lawn. 4 to 5 ft., \$1.50 each.

Dear Customers: We are proud to be observing our 70th Anniversary. In celebration, we had planned a special catalog edition that would be a real reference book for you, but critical paper shortages made this impossible. With limited pages, we are unable to list many items which we have in stock and we urge you to write us about any plant you are interested in and do not find in this book.

We wish to thank you, our friends and customers, for your help in making this 70th Anniversary possible, and hope we may continue to serve you for many years to come.
